Immigrant Saints of the Americas, pray for us!

TheNextAmerica.org
God, you are the Father of the whole human race. Your sons and daughters seek You and serve You from out of every nation, language and culture.

Father, help us as we seek to reform our broken immigration system and show mercy to those who are undocumented.

Give us the courage to welcome immigrants and celebrate the gifts they bring to our great nation — their love for family, their faith and values, their hard work and creativity.

We ask for the intercession of the immigrant saints of the Americas and Our Lady of Guadalupe, Mother of the Americas and our mother.

And we ask this through Your Son, Jesus Christ — who was an immigrant and refugee in Egypt and calls us to love others as we love Him.
